CIRCULAR

Online Issuance of C forms from 1st April 2014

Whereas, a directive regarding Online Issuance of CST forms from 1st April 2014 was issued earlier vide no. TAX-MMPCT(PM)/215/2011/50 Dated Itanagar, the 12th February 2014. However, some of the Superintendents placed representations to allow them to continue manual issuance of C forms citing internet connectivity problem. It is hereby informed that internet connectivity through BSNL has been provided at most of the field offices i.e. 15(fifteen) out of 21(twenty one) field offices.

Therefore, all the Superintendents of the *field offices where internet connectivity has been provided* are hereby directed to **start online issuance of C forms from quarter January to March 2014 and stop manual issuance of C forms**. It is to be understood that C forms will be self-generated by the registered dealers using their own internet connectivity anytime and anywhere. The concerned Superintendent will only facilitate the same for which required training has already been imparted to the Superintendents, Inspectors and other tax officials of all field offices.

The remaining 6(six) field offices without internet connectivity viz. Anini, Bhalukpong, Hawaii, Khonsa, Koloriang and Seppa may issue C forms manually subject to following conditions:

- a.) The C forms are issued only to those dealers who are already registered in the 'Aruntax' application through Back-log/Online module.
- b.) No blank C forms shall be issued in any case.
- c.) The manual issuance of C forms shall be stopped as soon as VSAT internet connectivity is established.
